

# Meet Mrs. Carroll

Hi! My name is Betsy Carroll and I am very excited to be working in the Busy Bees classroom this year! I grew up in Charlotte, NC and have spent the past

11 years as a resident of Leesburg after my husband retired from the Navy and we settled here. We have 3 children. Grace is a freshman at Christopher Newport University, Evan is a junior at Heritage High School and Aubrielle is in 3rd grade at Virginia Academy.

I majored in English at the University of North Carolina-Chapel Hill and have a Master's degree in Elementary Education from the University of North Florida.

I worked for LCPS for the past 10 years. During 8 of those years, I worked as the PALS tutor at Tolbert Elementary where I exclusively taught reading. I also have experience teaching pre-school and 1st grade.

My family attends St. John the Apostle Catholic Church where I have taught Religious Education classes. In my spare time, I enjoy spending time with my family, reading and gardening. I also love spending time with our two corgis, Zeke and Zoe.

I am so excited to join the team at Great Beginnings Pre-school! I'm looking forward to a wonderful year of learning, growth, and fun in the Busy Bees class!
