

# Meet Ms. Deanna

Hi! I am Deanna Collins and I will be teaching in the 2-year-old Room at Great Beginnings. I earned my Bachelor of Arts Degree from George Mason University in 1993. I spent most of my career working in Managed Mental Health care and “retired” in 2002 to stay home with my beautiful baby boy! I now have two sons, aged 17 and 12, and have enjoyed the last seventeen years raising them and volunteering in their classrooms. I have also enjoyed working in the nursery at our church over the years, specifically teaching in the 2-3 year old room during bible study. This will be my fifth year at Great Beginnings, I absolutely love teaching preschool! It is such a joy to teach and watch the children grow and move on to greater adventures!
