

Meet Mrs. Fensterwald

I am very happy to be part of the Great Beginnings Preschool Team. I am looking forward to my fifth year teaching in the 3 year old MWF class.

I grew up in Northern Virginia with an amazing family and attended Catholic School for most of my school years.

I graduated from Bishop Denis J. O'Connell High School in Arlington where I played soccer for the Knights. My family and I love sports and we cheer for all the Washington DC Teams, especially the Capitals!! I attended Northern Virginia Community College where I studied Early Childhood Education. My husband Sean, a firefighter for Fairfax County, and I have been married for eighteen years and have four children ages 14 (twins), 12 & 9.

I worked in the IT field for a number of years before I accepted a job with Loudoun County Public Schools. I was a Resource teacher for Belmont Ridge Middle School for a year before I became pregnant with our twin sons. Along with our twins, Sean and I have been blessed with a daughter and another son, all of whom attended and graduated from Great Beginnings Preschool.

We are members of St. John the Apostle Catholic Church in Leesburg.

I am looking forward to a wonderful school year!
