

Meet Mrs. Kaiser

Hi! My name is Janice Kaiser and I am so excited to be co-teaching the Busy Bees Pre-K 4s class this year. This is my first year teaching at Great Beginnings and I am looking forward to in-person learning after this last crazy and challenging year!

My family has called Leesburg home for eight years where I live with my husband, two children and my Mother-in-law. My daughter, Nora, will be attending Great Beginnings this year in the Bear's class. My son, Cameron, previously attended Great Beginnings and will be going into 4th grade at Catoctin Elementary this year!

Both my husband and I grew up in upstate NY (Go Bills!) where I attended RIT and graduated with a B.F.A in graphic design. I worked as a graphic designer for 16 years before becoming a stay at home mom. I'm a lover of all things art—dance, music and fine arts—and I also enjoy the outdoors and being active. In my free time I am learning to throw pottery and I take dance exercise classes as often as I can! I'm also going to be coaching my son's soccer team this fall.

I am looking forward to meeting each and every one of my new Busy Bee friends this year and to having a bit more normalcy back into our lives. I know these kids are going to do great!
