

# Great Beginnings Preschool

## Supply List 2020-2021

GBP typically asks for supplies used throughout the year: paper towels, Clorox wipes, tissues, etc. This year we are concentrating on supplemental supplies for our small and large group lessons. You may have some/most of these items in your home already!

- Cookie sheet, 9x13 suggested (used to be available at the Dollar Store, currently backordered)
- Magnetic Letters (amazon.com, Learning Resources 40 piece set for \$8.69)
- Small pack of crayons
- 1 tray washable watercolor paints
- Safety scissors
- Pencil box to hold the items above in learning crate

On September 14, 2020, our Synchronous Students will pick up their personalized learning crates. Please store the items above in your child(ren)'s crate so they are ready for instruction each day. Teachers will remind students to keep supplies in their crates in order to stay organized. Caring for our own materials is an important preschool skill!
